

Student Academic Services (SAS)

Through Student Academic Services, students can utilize a network of academic services, advisors, and activities designed to assist you in excelling at Cal Poly and in enhancing your learning skills. We provide academic and personal advising, as well as a wide range of academic enhancement services which will support your personal growth and academic achievement at Cal Poly.

Another of our goals is to offer support to students from backgrounds that have been traditionally underrepresented by income and/or disability in the California State University System. The goal of SAS is to ensure that all students at Cal Poly have equal opportunity to achieve academic success and graduation.

Program Services includes:

[Academic Skills Center](#) The Academic Skills Center (ASC) offers a wide variety of retention programs and campus support services including Study Skills Seminars, Online Study Skills Library available 24 hours a day, Study Session program and Tutor Referral Service.

Who is Eligible? Study skills and academic **enhancement** programs are open to all Cal Poly students.

Study Skills Services program include time management, textbook reading, memory skills, listening, note taking, test preparation, test taking, and other study skills related practices to improve academic performance.

- See [Study Skills Seminars](#) for a list of current seminars.
- See [Study Skills Library](#) for on-line study skills improvement information.

Academic Enhancement Programs assist students in academic courses. For more information see:

- [Study Session Program](#)
- [Tutor Referral Service](#)

[Supplemental Workshops](#) The Cal Poly Supplemental Workshops in Math and Science are both intensive programs designed to **assist students to excel in their math and science courses**.

- See [Supplemental Workshops in Math](#) for current schedule
- See [Supplemental Workshops in Science](#) for current schedule
