LICENSING

Students of Cal Poly can get exceptionally good pricing on select software packages through exclusive licensing agreements El Corral has with both Adobe and Microsoft. Students are allowed to purchase one of each of the titles listed below at the special license price for each available platform. Only a CD or DVD media kit is provided which doesn't include a box or printed manuals. There is no support for these products, or returns, for any reason. If a media kit is deemed defective within 14-days of purchase, it will be swapped out for an identical kit. **Purchases must be made in person and a current valid Cal Poly ID must be presented.**
